Get-In Time, Free Parking Pass & Band On-stage Time

Tim (Bullock) - our sound man - gets to the Bonington Theatre **around 5pm**, so arriving to set up any time after that is good. Having said that, bands often arrive later than that - traffic can be a bit difficult!

If you get to the Bonington **before 6pm** you'll need to ask at the ground floor Reception for a **free parking pass** for the neighbouring car park. They will provide you with this if you make known you are a performing artist at the gig. After 6pm, parking outside is free so a ticket isn't needed.

Audiences arrive any time after 7pm. Doors open at 7.30. Band on stage at 8.00.

Our Travel Tips

These are provided for those journeying **from London** and **from Birmingham**.

Go to next page for directions from London...

Directions when travelling from London

Directions to the Bonington Theatre

An alternative to the M1, which is often busy from J22 onwards, is to take the A46 just after Leicester Forest East Services.

Follow this to the junction with the A6097 (signed to Doncaster). Take the left turn after crossing the A612, signed "Lambley 2 1/2" and follow the road, Ton Lane → Lambley Rd. → Park Lane → Main St. (through Lambley) → Spring Lane.

Turn right at the mini-roundabout at the end of Spring Lane, then left at the next mini-roundabout down Coppice Road.

Follow Coppice Rd. and you'll reach a roundabout – go straight on to Cross Street then left straight after, which will bring you to the Bonington Theatre.

Directions when travelling from Birmingham.

- At the end of the A42, join the M1 J23A
- Continue on the M1 to J26 and take the 3rd exit on the A610 to Nottingham
- Keep on the A610, over two roundabouts, and at the junction after the second, turn left onto the B6004 (Arnold)
- Turn left at the next roundabout, staying on the B6004 (crossing the rail/tram tracks) until you reach the A60
- At the junction with the A60, turn left onto the A60 and then immediately turn right at the lights onto Cross Street
- At the next set of traffic lights turn right and the Bonington car park entrance is on your left.

These directions avoid the Nottingham ring road, which can be a nightmare at these times.
